Dear Friends,

Greetings of the day!

It gives me immense pleasure that, as per the requirements of the day and continuous representation from the members, there have been some changes in the constitution, which have been put in the file “PROPOSED CONSTITUTION”. Request to you all to kindly give your concrete suggestions at the AGM in Ludhiana during the biennial conference. EXISTING copy of the constitution is also put up for your reference.

Thanks

Prof. Madhu Sharan

PRESIDENT, HSAI
